# ASSEMBLY GUIDE SUPPLEMENT FOR 32 FT 10-1/2 SERIES SARATOGA POOL

These instructions are used in conjunction with the assembly guide booklet included with your pool. Follow all instructions and read carefully. The information below is to be used when attaching the top rails to the vertical end caps.
Attach the top rails using the S/12/16 top rail hole to the 16 vertical end cap hole on the inside edge of the pool and by using the S/28 top rail hole to the 28/16 vertical end cap hole.

| | TOP RAIL HOLE | VERTICAL END CAP HOLE |
|---|---|---|
| INSIDE | S/12/16 | 16 |
| OUTSIDE | S/28 | 28/16 |
