*For use with stretch-in liners only.

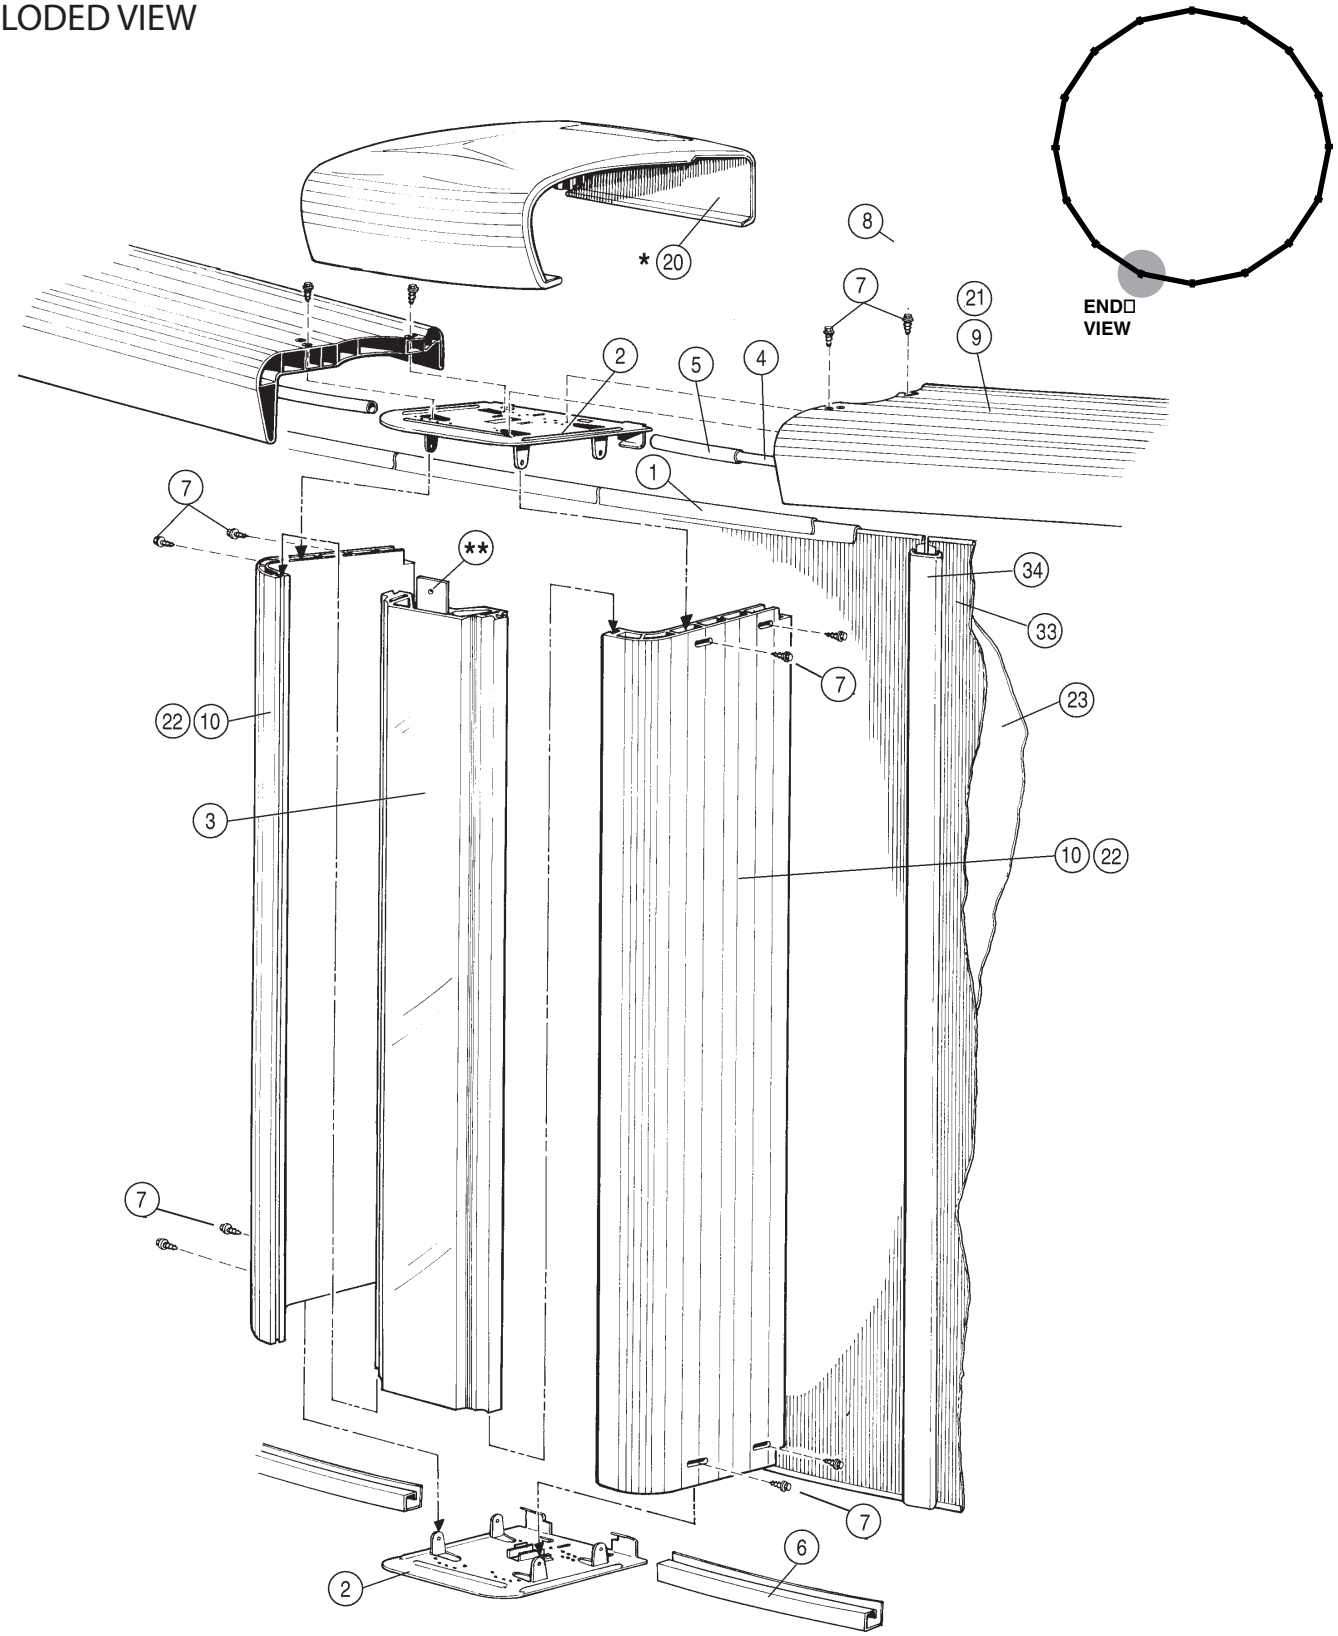

**Screws, nuts and washers are available at your local hardware store.

***For future reference, write your Liner Part No. here_____

**** For additional patch kits, order part number 0-5604-000.

***** Used for pools with deep swimming areas only.

EXPLODED VIEW

* CAUTION: To prevent a potentially damaging heat rise condition from occurring under your pool's winter cover, do not leave your cover on your pool too long at the beginning of the swimming season, or install it too soon at the end of the season. Warping of pool parts due to excessive heat is not considered to be a manufacturer's defect under the terms of your warranty.

** Fencing strips required and supplied with optional fencing only.

Important! Above-ground pools are designed for swimming and wading only. Do not Dive or Jump! Misuse of your pool may result in crippling injury and/or other dangers to life and health. Do not use slides, diving boards, or any other platform or object which can be used for improper pool entry. Use only an above-ground swimming pool ladder or entry system to enter or exit your pool. Never attempt to swim or reach behind ladders or any other pool entry system. It is the pool owner's responsibility to secure the pool against unauthorized, unsupervised or unintentional entry. It is also the pool owner's responsibility to warn all pool users of the hazards of diving into shallow water: paralyzing injury may result. Always obey all safety rules. Remember, pool safety is everybody's responsibility.

Safety decals and caution information provided with your pool have been endorsed by the U.S. Consumer Product Safety Commission. It is mandatory that the pool owner and installer follow the installation and use directions for all provided safety signs and decals. Juveniles must be supervised at all times by a responsible adult as directed by the USCPSC.

Change of Design: Doughboy Recreational expressly reserves the right to change or modify the design and construction of any product in due course of their manufacturing procedures, without incurring any obligation to furnish or install such changes or modifications on products previously or subsequently sold.
