- Combo filter base (1) optional Model No: 340-2444

Contempra

The Contempra Cartridge Filters are engineered to offer dynamic filtering action and greater water clarity. Suspended algae or dirt is captured by the filter's Reemay Polyester Elements for maximum cleaning efficiency. What's more, the Reemay Elements produce exceptional surface area coverage which allows for longer periods between filter cleanings. With Embassy's Contempra filtration systems, you'll easily achieve sparkling clean water all season long!

Contempra 60 Features
